McDonald's New Zealand Limited Time Offer Menu Allergen - Ingredients - Nutrition Information

Information correct as at March 2026

Limited Time Offer Menu

At McDonald's we believe in the nutritional principals of balance, variety and moderation and that eating at McDonald's can fit into a healthy lifestyle. Our goal is to provide you with the information necessary to make informed decisions about your McDonald's menu choices. This guide can help you balance your McDonald's meal with the other meals you eat today, and every day.

This guide is for our standard or core menu items. For information regarding short-time menu items, please either ask a manager in our restaurants or contact our Customer Service Department either via our website <http://mcdonalds.co.nz/contactus> or on 0800 539 4303.

The nutrition information is based on standard product formulations, standard product assembly and standard serving sizes (including ice for drinks from our beverage system). Actual sizes and assembly may vary. Due to the individual preparation of each of our menu items, actual values may vary from those listed. Variations may also occur depending on the local supplier, region of the country, and the season of the year. Further, product formulations may change periodically. We recommend you check this information on our website to ensure it is the most current.

Food Sensitivities and Preferences

Please refer to our Allergen Information for specific allergen details. This information is available on our website www.mcdonalds.co.nz

As we operate working kitchens please be aware that there is always a risk that traces of allergens may be transferred to ingredients during storage or preparation of items in our kitchens. McDonald's Restaurants are therefore unable to guarantee that any food sold is free from traces of allergens.

No food items are certified as vegetarian. Whilst some ingredients may not contain animal ingredients, we cannot guarantee that there will be no cross contact with ingredients that do contain animal ingredients in our kitchens. We have no Halal certified restaurants and no ingredients or menu items are certified Halal.

Ingredient Information

Please refer to our Ingredient Information for our standard or core menu items. This information is available on our website www.mcdonalds.co.nz

If you would like further information or have concerns regarding specific ingredients in specific menu items, please contact us at <http://mcdonalds.co.nz/contactus> or on 0800 539 4303.

Our allergen labelling complies with Australia New Zealand Food Standards Code – Standard 1.2.3 (Registered 09 March 2021)

If this document has been printed, please visit <https://mcdonalds.com.au/our-impact/food-quality-sourcing/nutrition> for most current information.

Allergen Summary: As we operate working kitchens please be aware that there is always a risk that allergen containing ingredients may be transferred during storage or preparation of food in our kitchens. Change Tracker:

The nutrition and ingredient information is based on standard product formulations, standard product assembly and standard serving sizes. Actual sizes and assembly may vary. Due to the individual preparation of each of our menu items, actual values may vary from those listed. Variations may also occur depending on the supplier, country of origin, region of the country of origin, and the season of the year. Further, product formulations may change periodically.
