Each Eligible Product may not be available for sale in all McDonald's Restaurants at all times during the Purchase Period. The Promoter accepts no responsibility for any Eligible Product(s) being unavailable at a McDonald's Restaurant during the Purchase Period.
12. Eligible Products may only be purchased when the relevant Eligible Product is available at McDonald's Restaurants.

#### TICKETS

13. Tickets may either be physical Tickets or digital Tickets (**Electronic Tickets**). Physical Tickets will be attached to Eligible Product packaging and will be randomly distributed by the Promoter (or its nominated agents) to participating McDonald's Restaurants based on reasonably anticipated demand. Physical Tickets may not be available in all McDonald's Restaurants at all times during the Purchase Period. The Promoter accepts no responsibility for physical Tickets being unavailable at a McDonald's Restaurant during the Purchase Period. First, second or additional Electronic Tickets will be issued in the manner directed in the Application. Each physical Ticket will contain a twelve (12) digit alphanumeric unique code listed above the 'Redeem By' date on the bottom of the Ticket ("**Unique Ticket Code**").
14. Additional Promotion cards will also be generated physically, with a twelve (12) digit alphanumeric unique code attached to a Promotion card ("**Contingency Card**"), and randomly distributed by the Promoter (or its nominated agents) to McDonald's Restaurants based on reasonably anticipated demand. Contingency Cards may not be available in all McDonald's Restaurants at all times during the Purchase Period. The Promoter accepts no responsibility for Contingency Cards being unavailable at a McDonald's Restaurant during the Purchase Period. A Contingency Card may be issued to an Entrant at the Promoter's discretion including an Entrant who, during the Purchase Period, purchases from a McDonald's Restaurant any Eligible Product and the corresponding number of physical Tickets for that Eligible Product are not attached to the Eligible Product's packaging. Under these Conditions of Entry, a Ticket that is attached to or associated with a Contingency Card is deemed to have been attached to the Eligible Product with which it was issued.
15. There are four (4) types of Tickets (which may be either physical Tickets or Electronic Tickets):
  - a. "**Instant Win**" Tickets;
  - b. "**Collect to Win**" Tickets;
  - c. "**Chance Card**" Tickets; and

d. **“Chance Card Code”** Tickets.

16. A maximum of up to 38,731,491 Tickets (either physical or Electronic Tickets in the Promoter’s discretion) will be distributed to McDonald’s Restaurants or Entrants for the Promotion. On average across all Tickets, at least one (1) in four (4) Tickets will yield a prize. For the avoidance of doubt, the Promoter does not guarantee that Entrants purchasing four (4) or more Eligible Products (as the case may be) will find a Ticket for a prize.

**CHANCE CARD CODE TICKETS**

17. Entrants must be or become registered members of MyMacca’s and accept to participate in the Monopoly Game in the manner directed within the Application, in order to receive a Chance Card Code Ticket electronically. Chance Card Code Tickets will be randomly distributed by the Promoter (or its nominated agents) physically and/or electronically during the Promotional Period to participating McDonald’s Restaurants or Entrants directly (**“Chance Card Code Tickets”**). A Chance Card Code Ticket may be issued (either physically or digitally at the Promoter’s discretion) to an Entrant at the Promoter’s discretion including who, during the Purchase Period, purchases from a McDonald’s Restaurant any Eligible Product. Chance Card Code Tickets may not be available in all McDonald’s Restaurants at all times during the Purchase Period.
18. A maximum of up to 25,247,871 Chance Card Code Tickets will be distributed. The Promoter accepts no responsibility for Chance Card Code Tickets being unavailable at a McDonald’s Restaurant during the Purchase Period. Each Chance Card Code Ticket will contain a Unique Ticket Code. A digital Chance Card Code Ticket may be redeemed in the manner directed in the Application and it may take up to one (1) week for the Entrant to receive the digital Chance Card Code Ticket.

**TICKETS CANNOT BE TRANSFERRED**

19. A Ticket (including a Ticket attached to Eligible Product packaging or a Contingency Card) cannot be transferred by the Entrant who purchased the Eligible Product, to any other person, whether by gift, sale, trade, barter, auction or otherwise by ‘transferring to another’, and whether the transaction was initiated privately or in a public forum, including but not limited to via online auction or purchase sites (for example TradeMe and Marketplace) or used for any other purpose. Such online auction or purchase sites may not permit the sale of lottery tickets on their sites and also generally prohibit their users from infringing any laws, third party rights or the policies of the site itself.
20. Any Ticket that has been transferred is void and accordingly, a prize claim that includes any Ticket that has been so transferred is invalid. Any person who is a party to such a transfer may be refused entry into or disqualified from participating in the Promotion in the Promoter’s sole discretion. For the avoidance of doubt, any game materials produced for any other promotions or games anywhere in the world, including any other McDonald’s promotions, or past McDonald’s Monopoly® promotions or any Monopoly® board games, are invalid for the purposes of this Promotion.
21. Notwithstanding the prohibition on Ticket transfer, the Promoter is not required to establish in any case whether the Ticket(s) in a prize claim has/have been transferred.

**HOW TO PLAY**

22. To play, an Entrant must, during the Purchase Period:
- a. purchase any one (1) or more Eligible Products from a participating McDonald’s Restaurant while Eligible Products are available for sale in that participating McDonald’s Restaurant; and
  - b. for a physical Ticket, carefully remove the Ticket attached to the Eligible Product packaging or Contingency Card in the manner directed on the Ticket or packaging; or
  - c. for an Electronic Ticket, in the manner directed in the Application and via the Application;
  - d. to reveal a promotional message (the **“Promotional Message”**) or chance card message (the **“Chance Card Message”**), and the Unique Ticket Code.

**CHANCE CARDS**

23. If the Ticket contains the Chance Card Message, the Ticket is a Chance Card Ticket. The Chance Card Ticket entitles the Entrant to play one (1) of three (3) available promotional games (the **“App**

**Game**”) on the Application in order to reveal an Electronic Ticket, namely an Instant Win Ticket or Collect to Win Ticket.

24. To participate in the App Game and reveal an Electronic Ticket, Entrants must, during the Promotional Period:
  - a. download and launch the Application on their compatible mobile device. The Application is available free of charge and can be downloaded via the Apple App Store for Apple iPhone devices or via Google Play for Android devices; and
  - b. follow the prompts of the Application in the manner required to fully and correctly register the Entrant’s Chance Card Ticket to access the App Game; and
  - c. play the App Game in the manner required on the Application and as described in these Conditions of Entry to reveal an Electronic Ticket. Each Electronic Ticket will contain a Promotional Message and may contain a digital code (the “**Electronic Prize Code**”); and
  - d. follow the prompts in the manner required to either:
    - if the Entrant is not yet a member of MyMacca’s, join MyMacca’s in the manner required by registering an account (“**MyMacca’s Account**”) as set out in Condition 48 below; or
    - if the Entrant is already registered for a MyMacca’s Account, log-in to their MyMacca’s Account by fully and correctly submitting the email address and password for their MyMacca’s Account and clicking the verification link in the login verification email sent to that address in the manner required.
25. The Unique Ticket Code on each Chance Card Ticket entitles Entrants to play one (1) App Game only. A Chance Card Ticket cannot be registered more than once on the Application. If a Chance Card Ticket submitted by the Entrant has previously been used to access the Application, the Entrant will need to contact Monopoly Customer Support via <https://mcdonalds.co.nz> during the Promotional Period.
26. Each App Game play must independently comply with these Conditions of Entry. The Promoter accepts no responsibility for late downloads, failure to properly register a Chance Card Ticket or late App Game plays via the Application. Registrations and App Game plays will be deemed to be accepted at the time of receipt and not at the time of transmission.
27. The App Game is for entertainment purposes only. Instant Win Food Prizes and Instant Win Non-Food Prizes are awarded on a random basis and the manner of an Entrant’s participation in the App Game does not affect the odds of winning.

#### **USING THE APPLICATION**

28. The Application can be downloaded on Apple devices operating iOS 16.0 or above and Android devices operating Android 10.0 or above. It is important to note that for some older phones, whilst the software version is above iOS 16.0 or Android 10.0, the device hardware may not support all functions of the Application.
29. To use all features of the Application, access Chance Card Code Tickets, play the App Game, and reveal an Electronic Ticket, Entrants must enable 3G, 4G or 5G and/or Wi-Fi data connection on their mobile device in the manner required.
30. Entrants must have the bill payer’s consent to use Internet or mobile Internet to use the Application. Some service providers and mobile devices may not provide access to mobile Internet and Entrants must check with their service provider if unsure. Downloading, accessing and using the Application and accessing and using mobile content including web-based content will incur data charges. Any external links and Application features that require Internet or mobile Internet connection may also incur data charges. Data charges will remain an Entrant’s responsibility and will vary depending on the Internet service provider, usage plan or mobile carrier used (as applicable). Entrants will need to refer to the terms of the contracts with their mobile carrier, usage plan or Internet service provider (as applicable) for costs. The charges for all data services will appear on the Entrant’s next mobile phone bill and/or Internet bill (as applicable). All general queries relating to carrier rates or mobile or Internet bills should be directed to the Entrant’s mobile phone carrier or Internet service provider (as applicable).
31. If an Entrant is the driver of a vehicle (or other form of transport), the Entrant must not use the Application while the vehicle (or other form of transport) is moving or is stationary but not lawfully

parked. Entrants must comply with all applicable road rules and regulations before and while using the Application. In the interests of safety at all other times, the Promoter recommends that Entrants only use the Application when it is lawful and safe to do so.

32. Subject to compliance with these Conditions of Entry, Entrants are granted a limited, non-exclusive, revocable and non-transferrable licence to install, access and use the Application on mobile devices the Entrant owns or lawfully controls. Entrants may only use the Application for personal and non-commercial use. Entrants may not decompile, reverse engineer, disassemble, convert or authorise any third party to decompile, reverse engineer, disassemble or otherwise convert, the Application to a human perceivable form; distribute or republish the Application in any way; resell, rent, lease or lend the Application; or transfer the Application or any content on the Application to any third party.
33. The use of any automated registration or App Game play software or any mechanical, electronic or other means that allows an Entrant to automatically enter the Promotion, play, register a Chance Card Ticket or play the App Game repeatedly other than in accordance with these Conditions of Entry is prohibited and will render the registration and all Tickets by that Entrant invalid. App Game plays generated by script, macro, robotic, programmed or any other automated or other means to manipulate or alter the normal function of the Application or App Game are prohibited and will result in the disqualification of the Entrant and their App Game play.
