keep the kids happy

character crowns

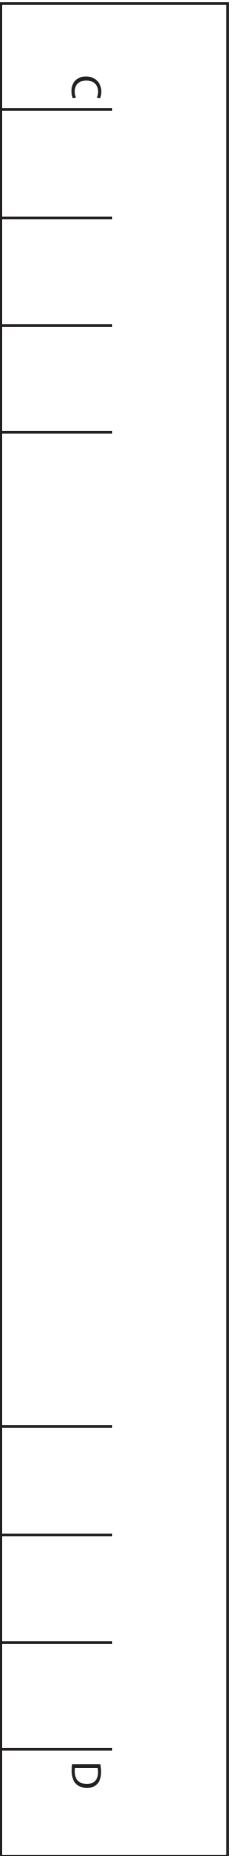

materials needed:

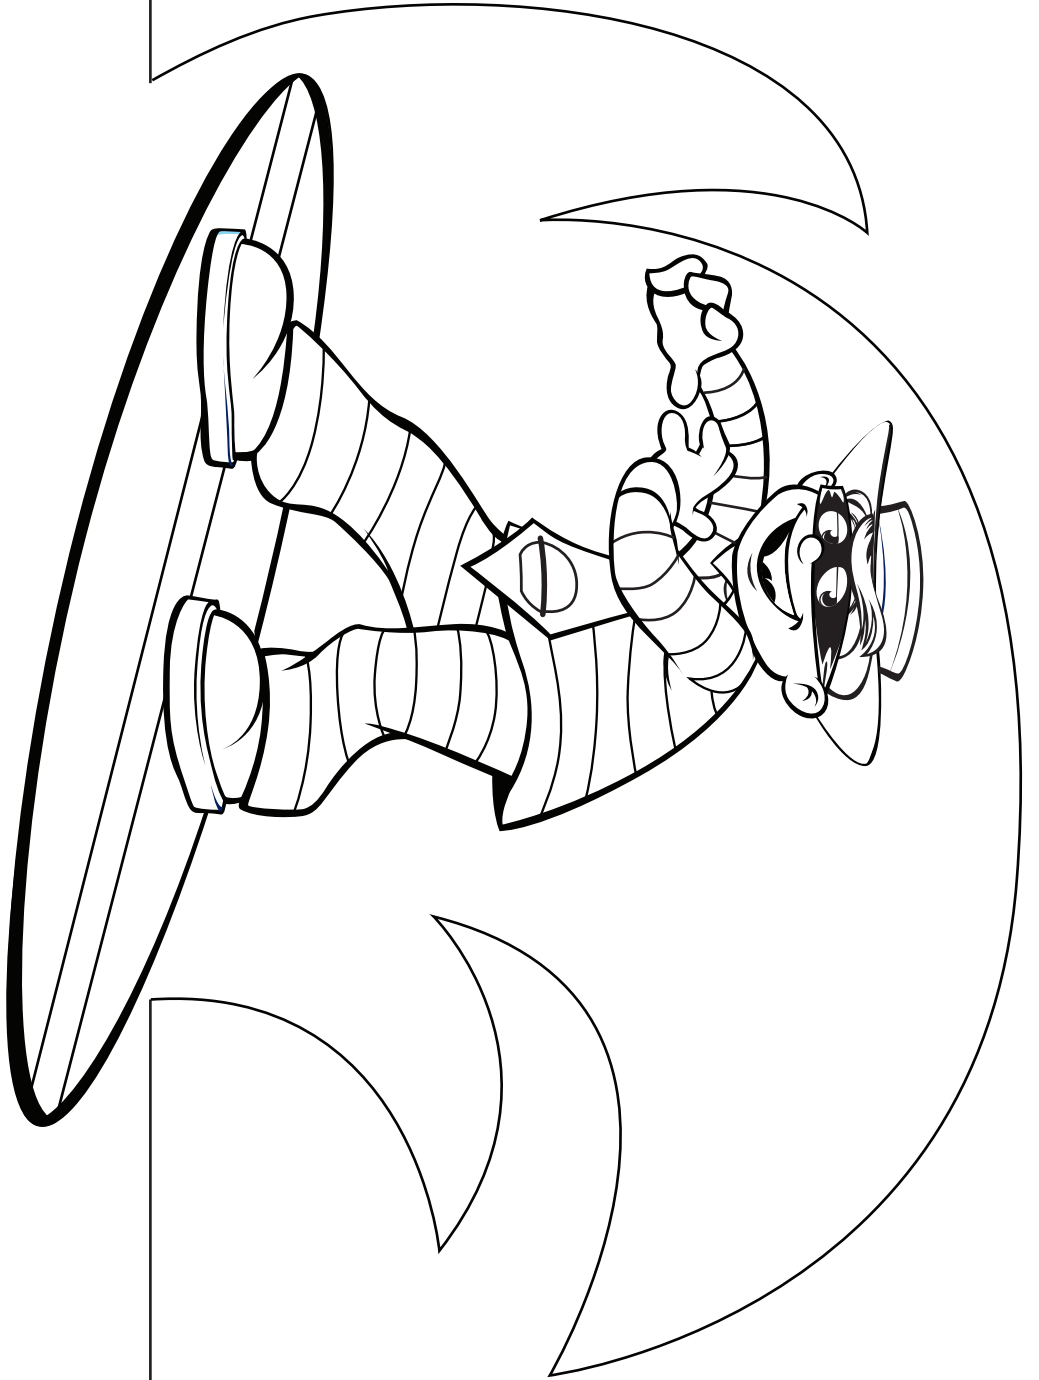

- Coloured pencils, crayons, textas or paints
- Glue
- Scissors

how to make a diorama:

- Pick a crown to make. Colour it in and cut it out (you might need an adult's help with this)
- Cut along the lines marked A, B, C and D. With someone else's help, hook together tab A with one of the slits in D, and B with C to fit your head.

What could you be with your crown? A king? A queen? Maybe a court jester!

A

B

C

D
